AUGUST 20 // WEEK 3 // PASTOR JOE BOYD

How do we increase our income?

Go to the ant, you sluggard; consider its ways and be wise! It has no commander, no overseer or ruler, yet it stores its provisions in summer and gathers its food at harvest. - Proverbs 6:6-8

In the house of the wise are stores of choice food and oil, but a foolish man devours all he has. - Proverbs 21:20

What will we save for?

Emergencies
Purchases
Future

Prioritize our dollars this way:

Tithe
Expenses
Emergencies
Debt
Invest

Two Ways to Make Money:

1. People making money.

...If a man will not work, he shall not eat. - 2 Thessalonians 3:10

2. Money making money.

The man who had received the five talents went at once and put his money to work and gained five more. - Matthew 25:16

3 Rules for Investing:

1. Don't try to get rich quick.

People who want to get rich fall into temptation and a trap and into many foolish and harmful desires that plunge men into ruin and destruction. - 1 Timothy 6:9

2. Don't invest in things you don't understand.

By wisdom a house is built, and through understanding it is established; through knowledge its rooms are filled with rare and beautiful treasures. - Proverbs 24:3-4

3. Don't put all your eggs in one basket.

Give portions to seven, yes to eight, for you do not know what disaster may come upon the land. - Ecclesiastes 11:2

...he who gathers money little by little makes it grow. - Proverbs 13:11

God's formula for Financial Success:

Money + Time + Consistency = Wealth.

\$5 a day invested at 12% over time:

5 years \$12,250
10 years \$34,505
20 years \$148,388
30 years \$524,244
40 years \$1,764,716
50 years \$5,858,750

If a 30-year-old makes \$48,000 a year and saves 15% (\$600 a month) in a 401(k) at 12%, by the age 70, they will have \$7,058,863 in their 401(k).
