MAY 21 // WEEK 4 // PASTOR MONTI AHRENS

God can transform ordinary people into extraordinary servants of God...
...and don't we all want to be extraordinary in one way or another?

God uses our **SHAPE** to transform us:

Spiritual gifts
Hearth
Abilities
Personality
Experiences

How does our culture define, or identify a superhero?

Personality is who we are and how we relate to others.

Everyone has the power to influence.

God designed us to influence others to know Jesus.

God uses our personality and experiences to Transform us into superheroes in His kingdom.

He was sold into slavery.
Taken to a foreign land.
Innocent yet imprisoned.
Forgotten by those he had helped.
Used by God to save many.

JOSEPH

'...the Lord blessed the Egyptians house for Joseph's sake...' - Genesis 39:5

'But the Lord was with Joseph and showed him steadfast love and gave him favor in the sight of the keeper of the prison.' - Genesis 39:21

"It is beyond my power to do this", Joseph said, "But God can tell you what it means and set you at ease." - Genesis 41:16 NLT

A superhero is an ordinary person who serves an extraordinary God.

Wherever we are, God will use us so everyone can experience His grace.

Three superpowers we all have:

1. Believe God is present.

"I am your brother, Joseph, whom you sold into Egypt..." - Genesis 45:4

2. Trust God has a plan.

"God sent me before you." - Genesis 45:5

3. Know God has a purpose.

"You intended to harm me, but God intended it for good." - Genesis 50:20

God designed us to influence others to know Jesus.

"Go where you are sent. Stay where you are put, unpack. And give what you've got until you're done. Your mission field is in between your own two feet at any one time." - JILL BRISCOE
