

Giving Away Christmas Week 3

1. God showed the shepherds **unexpected grace** by sharing Jesus' birth with them through a heavenly announcement. Who are some of the people or groups in our society that would be considered 'shepherds' in 2020? How could we as a church family show unexpected grace to them? LUKE 2:10-12

2. Contrast the difference between Jesus' **manger** being an animal food trough versus where He came from and what He's provided for us in a future **heavenly** home. LUKE 2:15-16

3. Because a **few** shepherds believed and shared the good news of Jesus' birth, **many** others throughout the centuries have heard and believed as well. If they didn't go tell others what would have resulted? How might the news of Jesus' birth have been shared? LUKE 2:17-19

4. How will you carry out the assignment to show others how good **God** is? Who has shown you what the goodness of God looks like? How did they do so? LUKE 2:20
