

the stories we tell

WEEK 3 SMALL GROUP DISCUSSION GUIDE

1. Who taught you about Jesus, when did you first learn about Him?

2. How can you be influential in a child's life even if you are not their parent?

3. In Colossians 4:3-4 Paul shares a prayer request: that God would open doors, give him opportunities to share the gospel and speak (teach) clearly so others would know Jesus. Where or with whom would you like God to open doors so you can share Jesus with them?

4. What intimidates you about the idea of telling others about 'the mystery of Christ'?

5. How could you use the statement: 'Good people don't go to heaven, Forgiven people do,' to tell someone about Jesus and the forgiveness He offers? How can you personalize this and use it as an illustration of knowing your sins are forgiven by Jesus?
